Citizen Academy

The Public Safety Commission [PSC] is pleased and sad to announce the successful completion of their first Citizen Academy here in Snohomish. The 13 week program concluded on Monday, December 9, 2013 with a graduation ceremony recognizing the 25 members who gave more than 32 hours of their personal time between September 10 and December 9 to participate in the program. A special thanks goes to Deputy Larry Cole for his outstanding dedication to this program. He was instrumental in seeing this through to completion. The PSC hopes to have another academy in 2014.
