## Help to Reduce Vandalism at our City Parks

Unfortunately, vandalism to our parks and City facilities often increases during the summer months. Below are a few examples of some of the more recent instances and how you can help.

Two months ago, a fire was set to the Hill Park dock, melting the plastic surfacing of the floating dock. The good news is the steel structure underneath was undamaged. The cost to replace the surface material was about \$2,000.

Two weeks ago, both doors of the Pilchuck Park restrooms were kicked in and destroyed. The cost to replace the doors and make repairs to the automatic locking mechanism was \$4,500 and the restrooms were out of service for three weeks.

Last week, a fire was lit in the middle of the Avenue A gazebo and the skirting around the bottom of the gazebo was destroyed. The material costs to replace the decking and skirting was only a few hundred dollars but the repair work took twenty hours of staff time.

The worst part of the vandalism is the wasted community resources needed to make the repairs.

Do your part to protect your neighborhood and community. If you see suspicious activity, call 911 immediately. Let our Police Department handle the follow-up.

*"No one is an island, entire of itself; everyone of us is a part of the main"*
