(Ord. 1602, 1987)

**15.14.040 No special duty created.** It is the purpose of this title to provide for the health, welfare and safety of the general public, and not to create or otherwise establish or designate any particular class or group of persons who will or should be especially protected or benefited by the terms of this title.

It is the specific intent of this title to place the obligation of complying with its requirements upon the permit applicant and any person owning, operating or controlling any premises, building or structure within the scope of this title; that no provision nor term used in this title is intended to impose any duty whatsoever upon the City or any of its officers, agents or employees for whom the implementation or enforcement of this title shall be discretionary and not mandatory.

Nothing contained in this title is intended to be, nor shall be, construed to create or form the basis for any liability on the part of the City or its officers, agents and employees for any injury or damage resulting from the failure of any premises or building to comply with the provisions of this title or be reason or a consequence of any inspector, notice, order, certificate, permission or approval authorized or issued or done in connection with the implementation or enforcement of this title or by reason of any action of the City related in any manner to the enforcement of this title by its officers, agents or employees.
