Unused since 2007, the Hal Moe Pool site and portions of the existing building are ready to provide new service to the community! Now that the Aquatic Center is completed, the School District has returned the property back to the City.

You are cordially invited to attend and participate in a community meeting to be held on Wednesday, September 23<sup>rd</sup> at 7:00 PM at Carnegie Library hosted by the City of Snohomish as a part of the City's Park Board Meeting. The meeting's purpose is to continue discussions about repurposing the Hal Moe Pool building. As a result of the City's 2014 research which included outreach surveys, consultant review, and City Council direction, the City is considering repurposing the building as a multi, flexible-use space. See the City's website for background information: <http://www.snohomishwa.gov/461/Hal-Moe-Pool-Site>.

The City of Snohomish welcomes your ideas and hopes you join the conversation to develop a shared vision for the building's future!
