

Help make sure that **Everyone Counts**

For one day in January, communities across the United States join together to conduct a Point-in-Time (PIT) count of people experiencing homelessness.

Participating in the annual count allows Snohomish County to continue to bring vital Federal and State funding into our community to assist our most vulnerable citizens.

You can help these members of our community by volunteering a few hours of your time on Wednesday,

January 23, 2019

between 8am-8pm. Volunteer opportunities include interviewing homeless households, homeless advocacy, and distribution of supplies. All volunteers will receive training.
